I THANK YOU FOR...

Thank you God for blessing me an imaginative brain. If only somebody could come up with an automatic writing machine, so that I would not need to re-write the ideas on my brain. I swear I have them like too much. LOL!

Thank you for me and my self who can always be self-supportive, no matter how the circumstances are.

Thank you for everyone who believes in me, indeed my writing talent.

Couldn't ask for more.

Thank you...

SCENE 1: EXT. HALTE – PAGI HARI.

Orang-orang berlalu-lalang.

VOICE OVER (SHIRA)

Kalau *lo* ditanya benda apa yang paling bisa *lo* andalkan dalam hidup untuk *keep in touch* sama pasangan *lo*. Mungkin rata-rata *lo* semua akan menjawab... *Handphone*.

Seorang wanita sedang berdiri sendirian sibuk menelepon, kemudian terdengar suara berasal dari *handphone*, **“lelaki yang anda cari tidak terdeteksi, cobalah cari lelaki lainnya!”**

Wanita tersebut mengernyitkan dahi dan terlihat kesal.

VOICE OVER (SHIRA)

Atau mungkin *laptop plus* jaringan internet.

Seorang pria menggunakan *headphone* sedang asyik *chatting*. Tiba-tiba dilayar tertera “**connection lost**”.

Cowok tersebut kecewa dan memegangi kepalanya.

SCENE 3: INT. DAPUR.

Seorang wanita bernama Shira sedang membungkuk dan melongok ke dalam kulkas yang terbuka. Kemudian ia bangun dan menutup pintu kulkas sambil memegang segelas air.

Shira masih berdiri di samping kulkas dan meminum airnya.

SHIRA

Tapi kalau *gue* sih *nggak* butuh barang-barang secanggih itu untuk bisa *keep in touch* dengan pasangan *gue*. Karna yang *gue* butuhin cuma... kulkas!
